Revenue vs Conversion

Finding #1: Instagram vs Organic Search

Instagram brings revenue but kills conversion

Instagram: 70% completion rate
Organic Search: 90% completion rate

Action: Shift 20% of Instagram budget to Organic Search

Finding #4: Lagos Dependency

One City drives nearly half your revenue

Lagos: 42% of total revenue
All other cities: 58%

ACTION: Invest in marketing to Port Harcourt, Kano, Ibadan

Finding #7: VIPs Don't Return

VIP buy big once, then disappear

VIPs : High avg order value, low repeat
Regular : Lower avg order, higher repeat rate

ACTION: Add loyalty rewards to retain VIPs

Finding #2: VIP Satisfaction Crisis

VIP customers are your least happy

VIP Satisfaction: 3.1/5
Regular Satisfaction: 4.2/5

ACTION: Review VIP delivery times and support response

Finding #5: Headphones Problem

Headphones sell best but cancel most

Headphones cancellation rate: 18%
Laptops cancellation rate: 8%

ACTION: Check support tickets - fix packaging or quality

Finding #3: Late Delivery

Late Delivery is killing satisfaction

Late Delivery tickets: 247
Late Delivery Satisfaction: 2.1/5

ACTION: Fix logistics before anything else

Finding #6: March Peak

Peak sales happen in March, not December

Highest revenue month : March 2025
Second highest : December 2024

ACTION: Investigate March campaigns and repeat what worked
